

**What do you want to write about?**

**What is your purpose?**

**Do you have enough information to write about that?**

**Do you have a favourite part?**

**Are there any unnecessary details?**

**Do you think a “golden nugget” (about that idea) could “WOW” your readers?**

**Does your sequence make sense?**

**Have you constructed your ideas by comparing and contrasting? Have you used some signal words?**

**What do you think of *your lead*?**

**How could you make your *conclusion* more memorable?**

**Does your argument sound persuasive?**

**Should there be so many  
personal pronouns in your  
report?**

**Where did you use strong  
verbs?**

**Those descriptive words are  
effective at showing.**

**Did you experiment and try  
out a variety of words?**

**Did you vary sentence  
beginnings?**

**Could you shift some phrases?**

**Did you make it flow by using a mix of long and short sentences?**

**Read it aloud. How does it sound?**

**Circle the words you think may not be spelled correctly.**

**Did you cluster your ideas into paragraphs?**

**Did you begin sentences with a capital letter?**

**Does that sentence sound right to you?**

**Do you think margins could make it easier to read?**

**Are those letters formed properly?**
